Downey Depot Transfer Center

The City of Downey is pleased to welcome you to the Transportation Center for the DowneyLINK. Downey Depot Transportation Center is constructed on the original Train Depot location that was established by the Southern Pacific Railroad to bring passengers and goods to a young community. Today Downey has matured into a quality, full-service city.

DOWNEYLINK – TAKING YOU WHERE YOU WANT TO GO

DowneyLINK's four routes begin and end at the Downey Depot Transportation Center, which is located at 8150 Nance Street, one block south of Firestone Blvd. and Downey Ave. DowneyLINK puts the entire City within your reach. Whether traveling to work or school, the Civic Center, your favorite store, or recreation stop, DowneyLINK will take you where you want to go.

Service hours, fares, routes, and bus stop locations are located within this brochure; however, please contact (562) 529-LINK to answer questions or for further information. Specific bus stop locations, which are accessible for persons with disabilities, may be obtained by calling (562) 529-LINK.

Riding DowneyLINK is a bargain and pleasurable. Low fares and convenient, comfortable buses equipped with wheelchair lifts make DowneyLINK a positive travel experience.

DowneyLINK is funded with the City of Downey's share of Los Angeles County's Proposition A and C voter approved measures, which provide funding specifically for public transit.

HOW TO READ THE DOWNEYLINK TIME SCHEDULE

This map is an overview of the four circulating routes of the DowneyLINK Public Transit System. Each route is designed to take approximately 45 minutes to complete. Each route makes approximately 14 trips each day. All routes operate within the Downey City Limits.

The time schedule reads from left to right. Departure times for each route from the Downey Depot Transportation Center are the first times listed on the left. Arrival times at the Downey Depot Transportation Center are on the right side of the schedule.

Please note these times are not exact due to changing traffic conditions throughout the day so plan accordingly.

ARE THERE SPECIAL TRANSIT SERVICES FOR SENIOR CITIZENS AND PERSONS WITH DISABILITIES?

Residents who cannot ride the DowneyLINK bus route system who are a senior citizen (65 years or older), or a person with a disability, and are a Downey resident may qualify to ride the City of Downey Dial-A-Ride service. For information regarding this service, call Downey Dial-A-Ride at (562) 904-7215.
