Special Recognition

Each year, the Downey Police Department and community groups recognize individuals who excelled in achieving the Department's goal to provide exemplary public service and improve the quality of life for our community.

The Masonic Lodge recognized four deserving department members this past March with a dinner and award ceremony in their honor for their hard work and service to the community.

At their Constitution Observance and Civic Recognition Night held in September, the Metropolitan Lodge #352 honored Corporal Garth Boggs for his outstanding service to our community.
