Press Release

Extra Leaf Collection During November

Downey, CA, October 29, 2008: During the entire month of November, Downey residents may place extra yard waste (that does not fit in their automated green waste barrel) at the curb on their regular pick-up day. This special service is FREE and should be scheduled with CalMet Services one business day prior to pick-up.

CalMet Services will collect up to FIVE bags, trashcans or bundles of leaves, clippings and yard waste per pick-up. Residents need to keep bundles of branches under 4 feet in length and under 50 pounds, and should NOT use their regular automated trash or recyclable barrels for this service.

Call CalMet Services one business day prior to your pick-up day at 259-1239 ext. # 244 for English or ext. # 245 for Spanish. Then, place these items at your curb by 6:00 a.m. on your regular pick-up day.

Remember, this special free yard waste collection service is only available from Monday, November 3 through Saturday, November 29.
