Hazardous Materials Business Plan Annual Certification

Hazardous Materials Inventory

California Health & Safety Code requires a business that handles / stores qualified hazardous materials shall **annually** review AND certify their hazardous materials inventory.

No Changes are required

By checking this box, you are attesting that the information contained in the Hazardous Materials Inventory most recently submitted to the Downey Fire Department is complete, accurate, and current.

Changes have been made

Changes have been made and submitted on an accompanying Hazardous Materials Inventory form(s)

Consolidated Contingency / Emergency Plan

California Health & Safety Code requires a business that handles / stores qualified hazardous materials shall review AND certify all documents within their Hazardous Material Business Plan (HMBP) at least **every three years**.

No Changes are required

By checking this box, you are attesting that the information contained in the contingency/emergency plan most recently submitted to the Downey Fire Department is complete, accurate, and current.

All Changes have been made

Changes have been made and have been submitted on a:

- Business Owner/Operator Identification Form
- Business Activities Form
- Site Map
- Emergency / Consolidated Contingency Plan

Businesses that handle **extremely hazardous substances (EHS)** equal to or greater than the Threshold Planning Quantities (TPQ) as outlined in Title 40, Code of Federal Regulations, and are subject to EPCRA, must resubmit by January 30 of each year (1) a **Business Activities** page, (2) **signed Business Owner/Operator** page, and (3) **Hazardous Materials Inventory-Chemical Description** page for each EHS.

CERTIFICATION

As an authorized representative, I certify under penalty of law that I personally examined the hazardous materials inventory and/or the Consolidated Contingency/Emergency Plan, and the information submitted herein is true, accurate, and complete.
