International Observe the Moon Night at Space Center

Columbia Memorial Space Center Will Participate in First Annual Outreach Event Dedicated to the Moon

Downey, CA, September 15, 2010: The public is invited to attend a very special event this Saturday, September 18, 2010 at the Columbia Memorial Space Center. The International Observe the Moon Night (InOMN) 2010 is the first annual public outreach event dedicated to lunar science and exploration. Institutions all over the country will be taking part in this exciting event to help engage communities in lunar observation campaigns.

The event will take place from 7:00 p.m. to 9:00 p.m. at the Space Center, located at 12400 Columbia Way in Downey. This event is free and no reservations are required. The Center's exhibits will be open from 7 p.m. to 8 p.m. and from 8 p.m. to 9 p.m., there will be a moon viewing and outdoor activities using telescopes. The movie "Fieldtrip to the Moon," will also be showing throughout the night.

For additional information, please visit <http://observethemoonnight.org> or call the Columbia Memorial Space Center at 562-231-1200.
