PRESS RELEASE

City of Downey & Coca-Cola Participate in Beautification Project

Downey, CA, March 5, 2014: On Thursday, February 27, 2014, the City of Downey partnered up with Coca-Cola for a joint beautification project at Brookshire Park. The beautification project was part of Coca-Cola's "Leadership Academy," in which leaders are encouraged to give back to the communities in which they serve. The City's Parks & Recreation and Public Works Departments, in conjunction with 30 Coca-Cola leadership trainees, participated in activities such as planting and mulching around the perimeter of Brookshire Park.

"Thank you to Coca-Cola for working with our City departments and helping to beautify one of our local parks. We appreciate their continued support and involvement in our community," expressed Mayor Fernando Vasquez.
