PRESS RELEASE

Improvements Made at Rio San Gabriel Park

Downey, CA, March 26, 2014: After weeks of renovation, the sports fields at Rio San Gabriel Park have been re-opened to the public. The work completed included adding 250 tons of soil, raising of five rotor heads, adding 1,500 lbs. of perennial rye mix for athletic fields and 50 yards of seed topper.

"We want our residents to be able to enjoy good quality parks and we are committed to utilizing the resources we have available to make necessary improvements," said Mayor Fernando Vasquez.

The re-opening of the sports fields complements the completion of the Rio San Gabriel basketball court renovation, which was completed last month.
