PRESS RELEASE

Downey Fire Department Acquires New Fire Apparatus

Downey, CA, April 8, 2014: The City's Fire Department has obtained new Fire vehicles, which will assist in enhancing department safety operations. Funds were appropriated in the City's current fiscal year budget to allow for purchase of four (4) new vehicles in order to replace the Fire Department's aging ambulance fleet and incident command vehicles. The new vehicles consist of: 604 Command Vehicle, 603 Special Operations Utility Truck and 645 & 646 Basic Life Support Ambulances.

"Public safety has always been a top priority for our City and we are proud to announce the addition of these new vehicles to our Fire Department," commented Mayor Fernando Vasquez. "The vehicles are equipped with the latest in computer technology and Firefighter safety, which is essential in assisting our Fire personnel."
