## **PRESS RELEASE**

### **Downey City Council Committed to Openness and Transparency; will schedule a second discussion of Mayor and Mayor Pro Tem positions**

**Downey, CA, December 15, 2016:**

The City Council of the City of Downey will schedule a second discussion of the positions of Mayor and Mayor Pro Tem at its next regular meeting of December 27, 2016 at 6:30 p.m. in the Downey City Council Chambers.

“Although we have followed all of the appropriate rules and procedures, out of an abundance of caution, I am asking staff to agendaize the items for the next Council meeting to allow the public and City Council a second opportunity to comment,” stated outgoing Mayor Alex Saab.

“The Downey City Council is committed to transparency and public involvement, and that’s why we will schedule a second opportunity to attend an open, public meeting at which we will discuss the items,” added incoming Mayor Fernando Vasquez.
