**Special Inspection: Approved Agencies**  
**Purpose: To provide a list of approved special inspection agencies.**

---

The following agencies, or any special inspection agency approved by the City of Los Angeles will be accepted by the City of Downey. The applicants are required to show proof of approval by the City of L.A., such as a valid special inspection registration card. Prior to conducting special inspections within this jurisdiction, each individual inspector must still register with the City of Downey
